

*L-R – Euan Sutherland, Dame Ellen MacArthur, Greg Barker MP and Ian Cheshire*

Dame Ellen MacArthur joined Euan Sutherland, CEO of B&Q, Ian Cheshire, CEO of Kingfisher and Greg Barker MP, Minister of State for Energy and Climate Change for an evening at the Houses of Parliament to learn how the retailer is helping communities and individuals across the country re-design and create more sustainable living environments. B&Q is working to support the Ellen MacArthur Foundation's aim of inspiring young people to re-think, re-design and build a sustainable future. B&Q is one of four Founding Partners of the Round The World Record Breaker's new charity.
